

MATH CHOICES AFTER ALGEBRA I:

If you want a STANDARD DIPLOMA, choose 2 from:

Algebra, Functions and Data Analysis (Standard)

Geometry (there is a yearlong option)

Computer Math

If you want an ADVANCED DIPLOMA must have 3 from:

Geometry

Algebra 2 (Algebra 2 IS NOT a prerequisite for Chemistry!)

Another class beyond the level of Algebra I

Classes beyond the level of Algebra I include:

Algebra, Functions and Data Analysis (advanced)

(your teacher may recommend this before Algebra 2)

Algebra 2

Discrete Math (prerequisite: Algebra 2)

Introductory Statistics (prerequisite: Algebra 2)

Advanced Algebra / Trig (prerequisite: Algebra 2)

Math Analysis (prerequisite: Advanced Algebra / Trig)
